

§ FIG 5 · WHERE FULL-STACK AI COMPANIES SIT

Full-stack AI companies are less often B2B and 2.6× as often Fintech as YC overall

Share of YC's top-level industry labels among the 125 full-stack AI companies and among all 2,334 companies, Winter 2023 to Summer 2026.

Each company carries one top-level industry label from YC. Labels with fewer than 20 companies in the window are left out. Fall 2026 (35 companies) is excluded as a partial batch.
