

§ FIG 1 · YC BATCH COMPOSITION

B2B peaked at 69% of a YC batch in 2023.
Industrials has tripled since 2019.

Share of each batch's companies carrying YC's top-level industry label, Winter 2019 to Fall 2026.

Each tick is one batch. Dashed lines show the trend, split at ChatGPT. A hollow dot is a batch with under 50 companies, not in the trend.
